L-IKLA T-TAJBA.

Situated in the heart of St George's Square, Victoria, Gozo. Joe, Kate and their two cheeky little boys renovated a sophisticated and welcoming space in the centre of one of the most popular squares in Malta and Gozo.

The result is simple serving honest, local and Mediterranean food paired with fine wines in a space that we hope dynamically contributes to Gozo's much-loved culture.

Contextually, we had to detach "ROŽA" from its surroundings; it was important that the space became its own little world full of curiosities. Featuring high ceilings, full of natural light, complemented with predominately concrete interiors and black and white furniture. We wanted to create an experience we hope you enjoy, remember and return to.

From our Family to Yours.
