# L-IKLA T-TAJBA.

nestled in the heart of St George's Square, Victoria, Gozo. Joe, Kate and their three cheeky little boys renovated a sophisticated and welcoming space in the centre of one of the most popular squares in Malta and Gozo.

*“we created a menu that showcases fresh, seasonal ingredients, crafting dishes that blend traditional Mediterranean fare with modern culinary twists. the food can be paired with fine wines in a space that we hope dynamically contributes to Gozo's much-loved culture.*

*our aim is to make you feel at home while away from home, we strive to serve genuine, good and homey food while creating an experience we hope you enjoy, remember and return to.”*
